

The Top Retail Tech Awards You Should Apply For

As online shopping continues to grow in popularity, more companies are making the shift to digitized experiences to keep up with the consumer demand for faster and smarter shopping options both in store and online. Due to this, retail tech is more essential now than ever before, posing a large opportunity for retailers. However, the growing market also comes with growing competition. One key way to stand out amongst the crowd is with awards. Below are the top 30 Retail Tech Awards to help companies differentiate themselves from competitors.

About Channel V Media

Get In Touch

Welcome to [Channel V Media \(CVM\)](#). We're an award-winning PR and communications agency founded in 2008.

We build market momentum for Fortune 500 and emerging companies, advising and executing on Communications Strategy, PR strategy, and digital marketing. We specialize in breaking clients into new markets and categories, rising to the top of crowded conversations, and reinvigorating enthusiasm for long-standing companies as they compete in new areas.

CVM builds awareness for companies and their products, develops C-suite leaders into industry visionaries, positions clients to be among the most vocal in high-value conversations, and drives inbound leads.

Some of our clients include Sopra Banking Software, GFT, Penn Mutual, IBM, Bluecore, Grapeshot + Oracle, and others.
